Dear Valued Frontline Customer:

**Re: New Frontline Product Update  
DASHENG™ NIOSH-APPROVED N95 PARTICULATE RESPIRATORS:  
MODEL DTC3M-1 / MODEL DTC3B / MODEL DTC3X**

---

We are pleased to announce that Frontline Medical Supply Ltd. (“**Frontline**”) is now an official authorized distributor of the very popular DASHENG™ NIOSH N95 PARTICULATE RESPIRATORS (MODEL DTC3M-1, MODEL DTC3B, and MODEL DTC3X). All three models are NIOSH-approved, and based on our experience, the MODEL DTC3M-1 is one of the most sought after N95 respirators in the world, second only to the 3M™ model 8210.

For your reference, please find a product description summary below.

**Samples now in stock in Canada!** We are pleased to announce that we just restocked samples of our DASHENG™ products in Canada so please contact us if you would like to arrange a sample delivery or viewing.

As this is a very high demand product, the manufacturing time for these models is currently 30 days from the date the PO is issued. Please note that the minimum order quantity for the DASHENG™ NIOSH N95 particulate respirators is as follows:

MODEL DTC3M-1:	1,000,000 respirators
MODEL DTC3B:	500,000 respirators
MODEL DTC3X:	500,000 respirators

Please feel free to contact us if you have any questions or if you would like to learn more about these high quality products. We greatly appreciate the continued opportunity to earn your business.

Sincerely,

**Frontline Medical Supply Ltd.**
