Electronic submissions

If you are submitting your audit digitally, please contact cor@amta.ca for a Sharefile link to be issued to you. We are not accepting links to Dropbox, Google docs etc. for security purposes. It is also imperative to submit the digital audit and supporting documentation in an organized and clearly labeled manner for the reviewer to accept and review. An example of this would be: A folder labeled with each element, and within that folder each document labeled as the question is referring to.
