AMTA CARRIER Membership Overview

amta.ca

Full Carrier Members operate commercial vehicles ranging from urban cargo (courier) delivery vehicles, to tractor-trailer semi-truck combinations, motorcoach, highway service vehicles, oil and gas service vehicles, bussing, towing and more. Membership fees collected through Carrier memberships fund AMTA advocacy initiatives. Through those initiatives, Carriers are able to have their say in shaping industry policies during four Compliance and Regulatory (CRA) meetings per year. Carrier Membership includes 20 AMTA online driver training courses, education/training discounts on AMTA in-person and online courses, discounted bundles for AMTA's Certified Transportation Safety Coordinator (CTSC) and Certified Transportation Safety Professional (CTSP) designations, AMTA event and networking registration discounts, and more.
