# AMTA Subsidiary Membership Overview

[amta.ca](http://amta.ca)

Subsidiary Members are company's owned by an AMTA Full Carrier Member. They operate commercial vehicles ranging from urban cargo (courier) delivery vehicles, to tractor-trailer semi-truck combinations, motorcoaches, highway service vehicles, oil and gas service vehicles, bussing, towing, and more. Membership fees fund AMTA advocacy initiatives. Through those initiatives, Subsidiary's are able to have their say in shaping industry policies during four Compliance and Regulatory Affairs (CRA) meetings per year. Subsidiary Membership includes education/training discounts on AMTA in-person and online courses, discounted bundles for AMTA's Certified Transportation Safety Coordinator (CTSC) and Certified Transportation Safety Professional (CTSP) designations, AMTA event and networking registration discounts, and more.
