

SECTION A

NAME:	COMPANY:
TELEPHONE:	EMAIL ADDRESS:

SECTION B *(completion required for applicants requesting course equivalencies)*

Course Equivalency

- A maximum of three (3) equivalencies, towards *elective courses only*, may be requested. Exception: no equivalency will be granted towards AMTA's Internal COR Auditor course
- Equivalency requests will only be considered for courses taken within the past five (5) calendar years from the year equivalency is being requested
- A valid Intermediate/Standard First Aid course that is two days in length and includes CPR will count as one pre-approved elective equivalency. If you have this course, and it is still current, please ensure you include it in the table below

» EACH course's equivalency request requires an accompanying, dated certificate of completion or transcript. Below, please list the external courses you are seeking equivalency for:

Training Completion (Year)	Training Institution Name:	Requested Equivalency (Course Name):	Equivalency For (AMTA Course Name):

SECTION C

Required CTSP Application Documents Checklist

Filled application form
 Resume (including dates of employment and references required)
 'Letter of experience' from a current or recent (within five years) employer that validates the applicant meets the program's three-year experience entry requirement
 If applicable, equivalency documents: certificate of completion/transcript, and course description
 Selection of two required CTSP courses for registration in 2026

Professional Development (PD) Maintenance Acknowledgement

I acknowledge that to remain in good standing, this designation requires annual PD completion, beginning in the year following successful graduation from the program, and each year thereafter:

- 45 hours to be achieved over three (3) years; submitting 15 hours, each year

- All PD hours must be verifiable and related

SECTION D

Applicant Privacy & Multimedia Consent

I acknowledge the completion and submission of this program application to the Alberta Motor Transport Association (AMTA) automatically authorizes AMTA to share the personal information contained herein with Samsara® for the purpose of scholarship recipient selection.

I acknowledge that if selected as a scholarship recipient, AMTA reserves the right to use my full name, as contained within this application, for the recognition and advertisement of successful scholarship winners via AMTA social media channels, its eNews publication, its website and in presentation materials at its 2026 Annual Awards Gala.

SECTION E

Training Dates

This scholarship opportunity *requires the completion of a minimum of two of the program's required courses within the 2026 calendar year*. With operational requirements in mind, it is recommended that you review the available training dates with your employer. Below are the available training dates for the program's *required* courses. If awarded as a scholarship recipient, AMTA's Education team will automatically enroll you in the dates selected below.

Please select a minimum of two (2) training dates you commit to completing in 2026:

**This table does not show elective CTSP courses. It shows required CTSP courses only. To view AMTA's complete annual calendar of courses, please visit our [website](#).

SECTION F

A required 'Employer Acknowledgement' form is enclosed in this application package and is to be read and completed by your employer.

Thank you for your interest!

All required and supporting documentation outlined in the 'Section C', above must be submitted or we will be unable to process your application.¹

Submit your completed application form and supporting documentation to AMTA's Education team at training@amta.ca. We look forward to supporting you!

¹ This application form and the information contained within is customized to the Samsara® scholarship opportunity. This application form may not be used for regular CTSP program applications.

A CTSP SCHOLARSHIP - POWERED BY SAMARA™

The Opportunity:

The commercial transportation industry depends on highly knowledgeable and skilled safety and compliance professionals who operate at the highest level of integrity in their chosen professions. AMTA is proud to partner with Samsara™, acknowledging a shared mission of improving road safety and compliance in the commercial transportation industry.

In 2026, [Samsara™](#) is extending scholarships that will cover the cost of the eight (8) required courses that comprise AMTA's Certified Transportation Safety Professional (CTSP) to four (4) deserving, safety and compliance industry professionals that meet the scholarship eligibility requirements.

What is the CTSP Designation?

The CTSP is a specialist-level designation program for experienced safety and compliance individuals committed to the principles of safety, loss control, accident prevention, and environmental protection. This program equips participants with advanced skills in audits, performance management, safety program development, and leadership. Successful graduates are often accountable for directly or indirectly supervising personnel and are capable to develop and manage a carrier's road transportation safety and compliance program, providing leadership and guidance as a subject matter expert. For more information on the program, please visit the [CTSP Program](#) page of AMTA's website.

EMPLOYER ACKNOWLEDGEMENT

Organization Name:

Employer Representative Name:

Employer Representative Title:

Scholarship Applicant Name:

Program Completion Timeframe: January 2026 – December, 2027

I, _____, **acknowledge** the following statements:

(Employer Rep's Name)

1. I am aware this scholarship opportunity is only available to industry professionals employed by an AMTA Carrier/Subsidiary or Associate member company, not currently working towards/enrolled in an AMTA designation program, and that meet the program's three-year professional experience requirement, as outlined in the [CTSP Pre-entry Program Information](#) document
2. I am aware the participant's required program completion timeline (inclusive of all courses and writing the designation's general knowledge exam) is between January 2026

- December 2027. I support the scholarship applicant and commit to accommodate their participation in the required coursework – eight (8) required courses and three (3) electives (approximately 112 hours of required coursework, plus elective hours)
3. Each of the four Samsara™ scholarship recipients will be extended a complimentary invitation to AMTA's Annual Awards Gala where their selection for the scholarship will be announced. We view this event and announcement as an opportunity for the applicant's employer to recognize and celebrate their employee's pursuit of continued professional development and as such, one complimentary invitation will also be extended to an employer representative
